

About us

After Pastor Bell established the **Calvary Baptist Church** in 2007, he was burdened with the need for Christian education in our community. In 2010, God opened the door for our church to start a Christian Academy to train servants and champions for Christ, and so began **Sanford Christian Academy**. What a joy and delight it has been to see our students learn in such a wonderful and Godly environment.

We are very jealous of the spirit of our school, and it is the desire of our staff to continue to hold to the old-time paths of Godly discipline and standards, while striving to achieve academic excellence.

Thank you for partnering with us today in our first annual golf tournament!
